

Fay Bainbridge Park

This park offers one of the best views of Seattle and a panoramic vista of the Cascade Mountains that includes two volcanoes: Baker and Rainier. It also makes a great base camp for exploration of the local waters. The park is very popular and busy during the summer months.

Natural History:

At the park entrance is a display of a bell donated by the Kitsap County Historical Society. This bell was brought to the area from San Francisco in 1883 by Cpt. Jeremiah Farnham. The bell was to proclaim important community events to the citizens of Port Madison. The park was acquired in 1944 from Mr. and Mrs. Temple S. Fay.
